The Board of Directors is composed of the following gentlemen, whose well known character for integrity, honor, and public enterprise are so well known as to guarantee success, and a fair and impartial distribution of the gifts:—

Major George W Grice, President Bank of Portsmouth,

Gen V D Groner, General Agent Boston Steamship Company,
Captain Nathaniel Burruss, Son & Co., Washington Reed, Esq., of Peters & Reed Merchants,

Thus the public will readily see there can be no fraud, collusion, or knowledge of what gift any number will get.

Should the tickets be not all sold when the concert comes off, the presents will be distributed in proportion to the number sold.

It is hoped the public will promptly respond to this effort to establish upon a firm basis a delightful resort during the heated months.

LOCAL BRIEFS.

The Epizooty is on the decline.

"Old probability" says rain to-day.

All the Banks will be closed on Thanksgiving day.

A large number of visitors from nearly every section of the State are in the city.

No Wilmington or Newbern papers by last night's mail. Letter packages came all O K.

The ballot yesterday blasted the hopes of Jno. Pool and his anxious friends.

The spies may now return home, as the ballot yesterday developed to their astonished ears that no Conservatives were for sale.

O. R. Smith, the great "North American House Movist," will commence operations on the large Baptist Female Seminary about the middle of December.

John Pool was unceremoniously settled yesterday. He received the full Republican strength, but no more. He will now have to look to Grant for some good place as a reward for his services to the Radical party.

The election for United States Senator in both Houses of the Legislature passed off quietly yesterday. Much interest was manifested, both by members and spectators, but no demonstration mas made. The ballotting will continue from day to-day until an election shall have taken place.

UNITED STATES CIRCUIT COURT—*Judge G. W. Brooks, presiding*—Tuesday, Nov. 26th, 1872.

The Court met at 10 o'clock.

The petit jury was drawn as follows: Grandison Philpot, Paul Lincke, Willis Bell, W. D. Hall, S. T. O'Neil, Stephen Howell, Daniel R. Johnston, Thomas W. Poole, David H. Miller. Wm. F. Higgins, Geo. W. Hodges, Josiah King, John H. Hannon, Jr., Jack Lawrence, Wm. R. Jenkins, James E Hanner, Emanuel Johnson, Richard D. Jones, Augustus Lethon, Daniel Rand, Loirel Hinton, W. H. Ransom, Jessie Stewart, Columbus Fowler, Stephen D. Fairfield, Moone Stephenson George H. Farobouit, William H. Taylor, John Kent, C. H. Ward, W. H. Vaughan, W. J. Roberts, David R. Hamlet.

The grand jury was also drawn and sworn, but we failed to get their names.

The charge of Judge Brooks was said to have been, by those who heard it, quite an able document, and though embracing most of the points of his former charge, differed in many respects.

But little business was transacted; only a few cases called on the criminal docket, which were either continued or transferred to other districts.

BARNUM OUTDONE.—We saw yesterday at the Yarboro House one of the greatest curiosities of the age. It was a singular quadruped, called the turtle duck, and supposed to be half wild duck and half turtle. Its shape resembles both of its parents—with smooth back, feathers under its breast, four legs and a regular pair of horns, with a head after the order of the North Carolina pine-rooting hog. It is young, healthy and O. K., and to a young man wishing to go into the show business such an opportunity will never again present itself. Half interest for sale.

SHERIFFS SETTLING.—M. P. Moore, of Burke county, the "modell Sheriff," settled in full with the State Treasury yesterday.

Sheriff McCall, of Caldwell, who for the past ten years has filled that office most acceptably to the people of his county, also settled in full with the Treasurer yesterday. Since his career, Sheriff McCall has never asked for relief and never failed in a single instance to make his returns.

Jno. A. Reid, Sheriff of Halifax, reached the city yesterday evening. He will come to the scratch to day.

PATRICK MCGOWAN.—The present keeper of the Capitol, Patrick McGowan, will doubtless be re elected to the position that he has filled the past twelve months, with credit to himself and the people, as we have heard of no opposition to him. The grounds are now in a better condition than ever before, and have been kept in order at a trifling cost. Mr. McGowan is worthy and well qualified, and we would be pleased to see him again in the position.

RELIGIOUS.—Rev. W. G. Hubbard, the General Lecturer of the Peace Association of Friends, in America, will preach a peace sermon at the Baptist Church, on Thursday evening 28th inst., at 7½ o'clock.

We learn this gentleman is a success as an orator and lecturer.

MAYOR'S COURT, *Tuesday, November 27th, His Honor Mayor Whitaker Presiding:*

Loveless Puryear, colored, was arraigned for stealing a box of tobacco from the manufactury of C. F. Reams, on Martin street, plead guilty, and committed to jail in default of $300 bail.

OXFORD ITEMS.—Our enterprising Oxford correspondent furnishes us with the following items from his section:

The horse malady is prevailing in Oxford in a mild form. No deaths as yet.

The entertainment (we hardly know how else to call it, and, by the way, this is a very appropriate description, as everybody who attended were well *entertained*) given by Mrs. John W. Hays, assisted by a competent corps of young ladies and gentlemen, having for its purpose the raising of money to buy a library for the use of the Sunday School scholars of the Oxford Methodist Church, was an eminent success. The sum realized amounted to over ninety dollars.

We learn that Hon. A. W. Venable and lady, who now reside at Brownsville, in this county, intend changing their residence to Oxford. The ravages of time have made a very visible change in Mr. Venable's physical appearance. When speaking, however, of the events of the past and contrasting them with the scenes now transpiring around us, his conversation glows with the animation of youth, and his eyes sparkle with the same brilliancy that so distinguished them when he was in the vigor of health.

It is gratifying to be able to say that the report of the death of Mrs. Dr. C. H. Jordan, of Person county, lacks confirmation. She is the mother of Rev. D. E. Jordan, Pastor of the Presbyterian Church at Oxford, and was quite ill when he last heard from her.

LEGISLATIVE INCIDENTS—

Every member of the House of Representatives were in their seats yesterday.

A bill for the taxing of dogs has been placed upon the House calendar.

The vote of both Houses for U. S. Senator stood as follows on the first and only ballot taken:

Hon. Z. B. Vance, 78; Hon. A. S. Merrimon, 18; John Pool, 73.

The galleries of both Houses of the Legislature were graced by the presence of ladies during the ballot for U. S. Senator yesterday.

Mr. Jones, of Caldwell, suggested an amendment to Mr. Gorman's bill "to have the national ensign hung over the Capitol during the session of the Legislature, each day," that a battery of artillery be purchased and a salute fired as each member entered the gate of the Capitol. The bill minus the amendment passed.

When the bill providing for the removal of the disqualifications of W. W. Holden was reached yesterday on the House Calendar, Mr. Badger, the author of the bill, asked its postponement, that he might prepare a speech for the occasion. It is to be hoped that Mr. Badger's prepared effort will not share the fate of Mr. Sharpe's roll of fool's cap brought up on the Martin contested election case, which went *under* the table.

PERSONAL INTELLIGENCE.—

We were pleased to see in our sanctum yesterday, Capt. Joseph J. Davis, and Capt. Charles M. Cooke from Louisburg, Capt. W. H. Day from Weldon, and Col. Walter Clark, Capt. James M. Grizzard and Capt. R. W. Spiers, prominent citizens of Halifax county.

We were honored with calls yesterday, by our esteemed brethren of the press, E. R Stamps, of the Tarboro *Enquirer*, and John B. Hussy, of the Hickory Tavern *Eagle*.

Messrs. Rollins, of the Asheville *Pioneer*, and Nason, of the New Bern *Republican*, are in the city.

Capt. John S. Dancy, of Edgecombe, is in the city.

Mr. Bonitz, of the Goldsboro *Messenger*, left Raleigh yesterday. Maj. Duffy, of the Greensboro *Patriot*, is still here. Robert M. Furman, of the Asheville *Citizen*, and T C. Keogh, of the Greensboro *New North State*, were also in the city yesterday.

ABSURD.—The attempt to contest the seat of Mr. Warlick, of Burke, is ridiculous and absurd. It is claimed that Mr. Warlick was not a resident of Burke twelve months before the election. Mr Warlick was absent from his county in Catawba for two months during that period, but never gave the slightest evidence of any intention to change his citizenship. If he had been absent for twelve months or more, he could still claim his home in Burke, if he had never exercised any right of citizenship or made any claim of residence elsewhere. But Mr. Warlick always regarded Burke as his home.

SOCIAL PARTY.—We acknowledge the receipt of an invitation to attend a social party, to be given by the young gentlemen of the Forestville Male Academy, on Friday evening, December 20th, 1872.

SUDDEN DEATH.—We learn of the sudden death in Greenville, Pitt county, N. C., on Tuesday last, of Dr. Oliver H. McCluer, a young man of some twenty-seven years of age and of much promise. He had relatives in this city.

Miller & Nelson, front basement, Metropolitan Hall, has just received from Norfolk a fine lot of wild duck, geese, etc., which they serve from their lunch counter at all hours, day and night. *

On motion, rules suspended, and resolution put upon second reading.

An accompanying document from the Board of Commisssoners of New Hanover was read, petitioning for the said relief.

Mr. Troy offered an amendment that three-fourths of the State tax shall be paid in at the usual time, or else this bill shall be of no effect.

Messrs. Troy and Murphy knew the circumstances of this case to be peculiar, and while opposed to general relief, would favor this resolutions.

Amendment Adopted.

Mr. Love was opposed to making the extension until the 1st of March next. He moved that the time allowed be made the 1st of February. Carried.

The resolution passed its second reading and then amended. The bill passed its third reading unanimously.

A message from the House of Representatives, informing the Senate that the House would go into the election of United States Senator at 12 o'clock, was received. Concurred in.

Mr. Welsh's motion to increase the Judiciary Committee to thirteen was adopted.

Resolutions upon Second Reading.

A resolution that the Sheriff of Davie county be relieved until the first of February next.

Mr Respess stated that the case was similar to the one just acted upon, the Sheriff having qualified two weeks ago.

Mr. Love wished that the other ninety one Sheriffs in the State be included in this bill, so that the Senate might be done with the question at once.

The hour of 12 having arrived, the Senate proceeded with the election of U. S. Senator.

Mr. Waring placed in nomination Hon. Z B Vance, saying:

"The time having arrived to elect a U. S. Senator, I desire to place in nomination the foremost Statesman, gentleman and orator of the age, Mecklenburgs's favorite son, the Hon. Z. B Vance. A gentleman who more completely embodies the ideas of a representative man than any of the gifted sons of the old North State, and who I believe to be the choice of a vast majority of her Conservative citizens."

Mr. Welch nominated Judge A. S Merrimon, saying that he was the purest man in the State.

Mr. Grandy nominated Hon. John Pool.

Messrs Waring, Welch and Grandy appointed to superintend the election, which resulted as follows:

For Z B Vance—Messrs. Allen, Barnhardt, Cunningham, Davis, Dunham, Ellis, of Catawba, Ellis, of Columbus, Flemming Gudger, Horton, McCauley, Miller, Morehead, of Guilford, Morehead, of Rockingham, Murphy, Murray, Nicholson, Norwood, Price, Scott, Stafford, Todd, Troy, Waring and Worth—25

On motion, the resolution in favor of Sheriff of Dare was again considered.

Mr. Avera offered as an amendment that the Sheriff be required to pay to the Treasury one-half of the State taxes by the first of January.

Messages from the House.

Reported the passage of a resolution to the effect that a joint committee be raised on Constitutional Amendments. Concurred in.

Petitioning our representatives in Congress to have certain pension laws amended so as to allow certain soldiers pensions for life. Referred

A message stating the passage of a resolution that the joint select committee to examine in the returns of the August election be empowered to send for persons and papers Put upon its second and third readings Adopted

Message announcing the passage of a bill to change the time of holding the Superior Courts of Wake county. That there shall be four regular terms in each year, each term to last two weeks, unless business be sooner concluded. The first term to commence on the first Monday in January.

Harris, col., advocated the bill at length and with warmth.

On motion, rules suspended, and the bill put upon its several readings.

Mr. Waring opposed the bill in so far as it affected the civil courts, taking the ground that such an interference would affect injuriously the poorer classes.

Mr. Dunham favored the bill, as he thought it was wanted by all classes of the citizens of Wake.

Mr. Love thought the bill would affect the people of the whole State, as the collecting business of the State would, under this bill, be concentrated to the Courts of Wake.

Mr. Merrimon met the arguments of the gentleman from Jackson, contending that the assignment claimed by that gentleman would be fraudulent and void, as the party bringing the suit must be a party to the suit.

Mr. Morehead, of Rockingham, moved the bill be referred to the Judiciary Committee, to report at an early date. Adopted.

On motion, the Senate adjourned until 10 o'clock to-morrow morning.

Meeting of Committees.

The Committee on Internal Improvements is requested to meet in Senate chamber this morning at 10½ o'clock.

Mr. Brown, of Mecklenburg, as Chairman of the Committee on Propositions and Grievances, reported on the following bills:

By Mr. Carson—A bill to repeal chap. 136, laws 1871 '72.

By Mr. Morrison, a bill to amend section 4, chapter 166, laws 1871-72.

Calendar.

The Bill to relieve the disqualifications of Gov. W. W. Holden from holding office, &c., imposed upon him by the high court of impeachment, was on motion of Mr. Badger postponed two weeks from this day and made the special order at 11 o'clock on that day.

Resolution in regard to the *per diem* of members, providing that no member who is absent from his seat on business shall be entitled to the same, was taken up.

Mr. Blythe, the father of the resolution, advocated its adoption—passed its second reading.

Bill authorizing the Keeper of the Capitol to purchase three stands of colors for the use of the capitol and one to be placed on the capitol building during the session of the General Assembly, was next taken up. The bill passed with the following amendments, proposed by Messrs. Clay, of Anderson, and Johnson, first, "one" instead of "three," and each day, "Sunday excepted."

Resolution in regard to the Martin county contested election case was tabled.

Resolution in regard to the joint committee to examine the buildings of the Penitentiary, the convicts and the condition of the same, to report to this body, came up for consideration.

Mr. Luckey, of Rowan, objected to the passage of the resolution, from the fact that two committees, one from the House and the other joint, had been appointed to perform the very duties imposed upon this proposed com. He desired to be particularly understood as in no way objecting to the committee, but thought it was useless to appoint additional committees, when those already appointed were fully competent to discharge the duties.

The motion of Mr. Luckey to lay on the table prevailed.

The resolution in favor of A. S. Hill, of Cherokee, passed its several readings.

Mr. Dickey, the father of the resolution, stated that owing to the recent organization of the county of Graham, the taxes of that county had been charged to his Sheriff, and without legislative enactment, he could not, as Sheriff of Cherokee, invade the new county.

Mr. Badger was favorable to the resolution of Mr. Dickey, but thought it ought to be referred to the Judiciary Committee. By consent of Mr. Dickey, the resolution was so referred.

Resolution instructing the committee on Penal Instructioni to examine specially and report upon that portion of the Governor's message relative to the State Prison. Passed its several readings.

The following bills came up on the second reading:

Bill limiting the hours of labor in this State to 10 hours for one day, was laid upon the table.

Bill to repeal chap. 68, laws 187, '721. (This is what is known as the Dee Law) Its further consideration postponed for one week.

A bill to exempt the counties of Ashe, Alleghany and Watauga from the provisions of chapter 142, laws of 1869 and 1870, (which prevents the citizens of said counties from seining for and the general destruction of trout in the waters of said counties) passed its several readings. The bill was amended by Mr. Bryson, of Swain, by including the counties of Swain and Jackson.

On motion of Mr. Settle, a message was sent to the Senate proposing to that body to go into the election of U. S. Senator at 12 o'clock.

The following bills came up on their first reading:

Bill for the relief of Simon Goodwin, tax collector of Johnston county, for which a substitute was offered by the committee on Propositions and Grievances, providing for its extension to all Sheriffs and tax collectors simiarly situated. The substitute was adopted and passed its 2nd and 3rd reading.

On motion of Mr. Johnson, the vote on its third reading was reconsidered and its further consideration postponed till to-morrow at 10 o'clock.

The bill to definitely establish the line between Tennessee and North Carolina was advocated by Mr. Byrd, of Yancey, the author of the bill, who stated that the bill provided for the appointment of certain persons (named in the bill) to act as commissioners to re-establish the line between two given points; that many inconveniences had resulted from the fact of there being no definite line, as well, as in some instances, of obstructions to the courts of his county.

Mr. McGehee thought the matter was one of strict importance, and the commissioners entrusted with this important duty should be men well known to this Legislature, and he would move a postponement of its consideration till this day two weeks, and be made the special order for 12 o'clock.

Mr. Brown, of Mecklenburg, said that the line to be re-established was only ten miles in length, and thought that the commissioners named could very well attend to it, and saw no reason for postponement.

Mr. Badger concurred with Mr. McGehee, stating that the line, though short, was still of much importance, as so important a point as Danville, Virginia, had been lost to North Carolina by inefficient commissioners, and he would vote for a postponement.

The bill was postponed.

Miscellaneous.

The following members came forward and were sworn in:

N. B. Hampton, of Polk.
A. H. Perry, of Bladen.
Mr. Bowman, of Mitchell.

Absence Granted.

Mr. Reid, of Mecklenburg, indefinite.
Mr. Shinn, of Iredell.

Ballot for U. S. Senator.

At 12 o'clock the Speaker announced that the hour had arrived for the election of U. S. Senator, and counselled the members and visitors against the exhibition of any undue enthusiasm on the announcement of the candidates or the ballot; that no applause from the galleries or lobbies would be tolerated, and notified the doorkeper to clear the same if it was attempted.

Mr. Houston nominated Hon. Z B. Vance, of Mecklenburg.

Mr. Hanner nominated Hon. Augustus S. Merrimon, of Wake.

Mr. Badger nominated John Pool, of Pasquotank.

Upon the call of the roll, the members voted as follows:

For Hon. Z. B Vance, Messrs. Speaker Robinson, Anderson, of Davie, Ballard, Bennett, Blackwell, Brown, of Mecklenburg, Bryan, of Sampson, Bryan of Alleghany, Ballard, Byrd, Carter, Craige, Freeman, Gant, Gidney, Gilmer, Grady, Gudger, Houston, Johnson, Jones, of Caldwell, Jones, of Orange, Jones, of Tyrrell, Johns, Lindsay, Luckey, Maxwell, McGehee, McNeil, Mitchell, Moore, Moss, Morrison, Norment, Outlaw, Presson, Reid, of Mecklenburg, Richardson, Settle, Shaw, Sherin of Iredell, Sherin of Cabarrus, Shackelford, Standford, Stowe, Todd, Turner, Warlick, Waddell, Watson, Webb, Wiley, Woodhouse—53.

For Hon. A. S. Merrimon—Messrs. Anderson, of Clay, Bryson, of Swain, Dickey Hanner, Haynes, Hinnant, Joyner, Marler, Moring, Waugh, Whitmore—11.

For John Pool—Abbott, col., Messrs. Badger, Bean, Blythe, Brown, Bowman, Brown, of Davidson, Bryant, of Pitt, Bryant of Halifax, Bryan, of Wilkes, Brooks, Bunn, Copeland, Carson, Colson, Cox, Darden, Davis, Dudley, Dula, Ellison, Fletcher, Foster, Godfrey, Gorman, Gray, Guyther, Hampton, Hester, Hughes, Jones of Camden, Jones, of Northampton, Jordan, King, Lloyd, Lutterloh Mabson, col., McLaurin, col., Miller, Michael, Patrick, Paschall, Perry, of Bladen, Perry, of Wake, Reid, of Randolph, Rhodes, Scott, Sharpe, Sneed, Trivett, Winslow, Williamson, Wheeler, Whisnant—55

The report of the tellers, Messrs Jones, of Caldwell, and Badger, announced the vote as above.

Mr. Houston moved that a message be sen to the Senate informing that body of the result of the ballot.

Mr. Bennett opposed the motion, saying that the law of Congress governing elections of this character, specified that the result of the ballot should be compared in joint session of the two Houses the following day at 12 o'clock, and he thought it advisable to adhere strictly and literally to the letter of the law.

The Speaker read the law of Congress showing that the motion of Mr. Houston did not conflict with the spirit of the law, and that a message could be transmitted to the Senate through courtesy to that body. The Speaker also read from the Journal of the last House a precedent that would authorize him in entertaining the motion.

Mr. Houston withdrew his motion and the House adjourned.

SPECIAL NOTICES.

SIXTEEN YEARS OF SUCCESS.—In 1856, the now famous MUSTANG LINIMENT was first made known to the public by an extensive system of advertising. From that time to the present, the demand for it has been steadily increasing until it has taken the lead of all embrocations, lotions, ointments, and other external remedies, imported or domestic ever introduced into the American market. In the most celebrated racing and trotting stables, in the establishments of stage and city car companies, and in the stables of private gentlemen, it is the only recognized cure for such diseases of the horse as require outward treatment. Nor is it less valuable as a local application for some of the most distressing complaints to which man is subject. Rheumatism, stiffness of the joints, neuralgia, sore throat, tumors, wens, earache, toothache, yield to its pain-subduing, counter-irritant properties, and burns, scalds and cuts are healed with incredible rapidity under its operation.

$1,000 REWARD is offered by the proprietor of Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in the cure of Bronchitis, severe Coughs, and the early stages of Consumption.

MILLVILLE, FLA., Sept. 22, 1868.

Dr. Wm. H. Tutt:

Dear Sir—In my young days I was rather wild, and became the victim of a loathsome disease. I was treated by an eminent physician, and thought I was cured. After moving to this State, I was horrified at finding that the disease was making its appearance again, in a secondary form. Ulcers formed in my mouth and on different parts of my body. I also became afflicted with severe Rheumatism. I employed different physicians, and used various patent medicines for months, all to no purpose. During a visit to Jacksonville I saw your Sarsaparilla and Queen's Delight, and concluded to try it. I have taken a dozen bottles, and believe that the poison is entirely driven from my system. I in end continuing it, however, to make a sure thing of it. At the request of your Agent, I send this to you. You are at liberty to use it as you like. Yours respectfully,
JOHN H. GUILFORD.

LIVER COMPLAINT AND BILIOUSNESS.—Dr. Tutt's LIVER PILLS exert a direct and powerful influence on the Liver, and will with certainty relieve that important organ from disease and restore its normal functions.

THE TENACITY OF TRUTH.—When a nation as clear-headed as the Americans once became convinced, from long experience and observation, that an article possesses superior excellence as a medicine, not all the preposterous clamor of all the worthless nostrum venders in the universe can shake their belief in its efficiency. Truth is a very tenacious thing, as these worthies are beginning to discover. PLANTATION BITTERS has too firm a hold upon the popular esteem to be in the slightest degree effected by the cold water diatribes which the advertisers of fermented slops, "without a particle of alcohol," are so fond of launching against alcoholic preparations. The public knows very well that this peerless renovant and tonic does contain spirits, but it also knows that they are of the purest and most wholesome description, viz: fine old N. Orleix, the most active and beneficial diffuser of its remedial and invigorating properties throughout the system, which could possibly be adopted.

HELP FOR THE HOPELESS.—You are weak, dejected, miserable, and nothing does you any good, you say. Don't despair. There is balm in Gilead. Have you tried Vinegar Bitters? No! Then why don't you? Whether your complaint be dyspepsia, biliousness, nervous weakness, constitutional debility, or any other trouble, Vinegar Bitters will revive and renovate your shattered system, as a genial rain refreshes the withered flowers.

FOR DYSPEPSIA, Indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague, and other intermittent fevers, the Peruvian Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

TO OWNERS OF HORSES.—No one who has ever used Dr. Tobins' Horse Venetian Liniment, will ever be without it; it is a certain cure for Colic, Sore Throat, Cuts, Bruises and Old Sores. Warranted superior to any other; in pint bottles, at One Dollar. Sold by all Druggists. Depot, 10 Park Place, New York.

RISLEY'S BUCHU is a reliable Diuretic and Tonic for all derangements of the urinary and genital organs. The genuine, as formerly sold by Haviland, Harral & Risley, and their branches, is now prepared by H. W. Risley, the originator and Proprietor; and the trade supplied by his successors, Morgan & Risley, New York.

SYAPNIA, or opium purified, the most perfect anodyne in the market, made by process of DR. I. M. ILGELOW, Detroit Medical College. Is always uniform in strength, which is rarely the case in other preparations of Opium.

THE SECRET OF BEAUTY.—What is it? no longer asked, for the world of fashion and all the ladies know that it is produced by using a delightful and harmless toilet preparation known as G. W. Laird's "Bloom of Youth." Its beautifying effects are really wonderful. Depot, 5 Gold Street, New York.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article known for cleansing and preserving the teeth and gums. Sold by all druggists. Price 25 and 50 cents per box. F. C. Wells & Co., New York.

WE HAVE FREQUENTLY HEARD mothers say they would not be without Mrs. Winslow's Soothing Syrup, from the birth of the child until it has finished with the teething siege, under any consideration whatever.

PRATT'S ASTRAL OIL, has a world-wide reputation as the surest and best illuminating oil. Over two million gallons have been sold for the past two years, from which no accidents of any description have occurred. Send for circular. Call House of Charles Pratt, established 1770, New York.

BURNETT'S STANDARD FLAVORING EXTRACTS are neatly put up in Unpannelled 2 oz., 5 oz. and 10 oz. bottles, and are for sale by the trade generally in every principal city and town in the United States, Canadas, and British Provinces, as well as in many other foreign countries.

FRAUDS.

I have deemed it my duty to call your attention particularly to this subject, because it is reported and believed by many, that the frauds practiced in the elections this year, under those features of the law, reached many thousand votes. Such an impression produces dissatisfaction and discontent among the people, and brings reproach upon the laws and law makers of the State.—*Extract from Caldwell's Message*

The above language is used by the Governor, after giving his objections to the present election law. These objections are three: First, because the ballots are required to be on white paper and without device. Secondly, because challenging is allowed on the day of election. And thirdly, because "the illiterate voters of the State were greatly confused at the August election by being compelled to vote upon separate pieces of paper and in separate boxes."

These objections to the law are imaginary the grievances only, and the result of late election does not furnish the slightest evidence to sustain either one of them.

As to the first objection, ballots on white paper and without device are in vogue in many States, and the system is commended by the very highest authority, as not only being consistent with the inherent constitutional principle of voting by ballot, but any manner of voting is condemned as contrary to the spirit of the Constitution, and tends to defeat the design for which voting by ballot was established.

As to the second objection, challenging on the day of election has not proved the evil to which the Governor alludes. We have no large towns and cities in North Carolina. We doubt whether a single legal vote was lost because of the reason assigned by the Governor.

It is possible that a few votes may have been put in the wrong boxes, but such mistakes rarely occur, so that the third objection of his Excellency is hardly worthy of consideration. We may remark, however, that the present mode of separate boxes is the old one practiced before the war, before Radicalism was known among us, and when we heard nothing of election frauds. It was the mode used in the days of honesty and purity, before the canker of corruption had eaten into the body politic.

But our chief object in this article is not to defend the election law, but to call attention to the frauds that were practiced, not on account of any defects in that law, but in defiance of its provisions and in spite of the law itself.

The Governor says that it is reported and believed by many that the frauds practiced in the elections this year reached many thousand votes, but these frauds were not practiced as his Excellency says, under those features of the law which he has pointed out, but under the features which have distinguished Radical rule in this and the other Southern States, to-wit: fraudulent voting and shameless corruption.

It is believed by many that thousands of negroes from Virginia, South Carolina and other States voted the Radical ticket in the August election.

It is believed by many that the steamer *Charlotte Vanderbilt*, which left Washington City on the 27th of last July, and landed at Norfolk, Va., with a cargo of seven hundred negroes, was sent out by the Radical manipulators in that city to aid their party in the August election. At least, several of these negroes, on their return to Washington City after the first of August, made affidavits that they voted the Radical ticket and that they were sent here for that purpose.

It is believed by many, that numbers of timid voters were intimidated by Radical Deputy Marshals and Revenue officers, who threatened them with the severest penalties of the law in case they voted the Conservative ticket.

It is believed by many that large numbers of voters were promised immunity from punishment on account of their violations of the Revenue laws, provided they voted the Radical ticket.

It is believed, by many that at least five thousand negroes under age voted for Caldwell and the whole Radical ticket—thus fraudulently dictating the politics of the State by holding the balance of power.

And lastly, it is believed by many that Judge Merrimon is the legally elected Governor of the State, that the voice of the people has been silenced, the purity of the ballot contaminated, and the popular will thwarted by the shameless and infamous Radical frauds committed, not under the features of the law designated by the Governor, but in defiance of the law and in contempt of the rights and liberties of the people of North Carolina.

THE CHALICE COMMENDED.

The Governor devotes a large portion of his message to what is termed the "gerrymander" of the last Legislature, in the apportionment of the Senatorial Districts. A correspondent has shown that the Radicals in the previous Legislature, "gerrymandered" to a greater extent that the General Assembly of last year. The Governor and his friends have no right to complain. The chalice was simply commended to their own lips.

CALDWELL'S RADICAL MESSAGE.

We pronounced Caldwell's message, when it was first read to the General Assembly, a strictly partisan document, written in the interests and for the benefit of the Radical party.

From the extracts below taken from our Conservative exchanges it will be seen that this view is generally concurred in, and the criticisms are not altogether favorable to the Governor's ability or statesmanship.

[From the Wilmington Journal.

Governor Caldwell's message is characteristic of the the man. It seems that he has never had the faintest conception of the true character of the the high position he holds, rather than fills. It seems never to have occurred to him that he is the Governor of North Carolina. It seems that he has never been been able to rise above the idea that he was a mere partizan warfare. It seems never to have entered his head, that the Governor of North Carolina ought to be a statesman. All this, however, may be proof of the Governor's good judgment. It is just possible that he realizes the fact, and no one has had better opportunities for ascertaining the fact, that spiteful manifestations of malignant partizanry are better appreciated and more keenly relished by the 70,000 ignorant negroes, and their carpet and scallawag allies who constitute his party, than the most splendid exhibitions of statesmanship that the human brain is capable of. Whatever may be the motive, Caldwell is certainly a good caterer to the tastes of his political family.

It is surprising to see what an amount of insolence the Legislature of North Carolina have borne from this man. It would have been a fitting and merited rebuke if the present and preceding Legislature had returned to him the insolent documents that he so unapproppriately designates as "Meessages."

But Caldwell is as ignorant of the law as he is of State craft. Time and time again he has demonstrated this.—His latest blunder was about this same insolent Message. In accordance with ancient custom, as soon as the Legislature was organized a committee was appointed to wait upon the Governor and inform him of the fact and of the readiness of the Legislature to receive any communication he might desire to make. The committee performed its duty and reported that the Governor said he would communicate by message in writing, to be sent into the House of Representatives at 12 *m on Tuesday* Now, it happened that in thus selecting the hour of 12 m. on Tuesday, the Governor selected one of the very few hours when, by law, it was impossible for the Legislature to receive his message, for the reason that the law of the State required the Legislature at that particular time to begin to compare the votes cast in the last election! This may seem a small matter, but Caldwell is a small man and engages in small matters. It certainly displays, in a small way, either ignorance or indifference to the law—a display unbecoming to a Governor to make.—*S., in Editorial Correspondence.*

[From the New Berne Jour. of Commerce.

Governor Caldwell's message to the Legislature is a long and rather tedious document, more of the nature of a campaign pamphlet than of a grave state paper in its discourse of Federal relations and the apportionment of Congressional and Senatorial Districts by the last Legislature. While it possesses many objectionable features, the message contains some recommendations which the Legislature will probablo take under favorable consideration.

[From the Wilmington Star.

BACK TO HIS WALLOWING IN THE POLITICAL MIRE.—The Governor inveighs bitterly against the election law. He seems not to like any of its provisions. The Legislature of course will pay heed to his suggestions and give us the old Radical law by which thousand of fraudulent votes will be able to carry every election to be held in the State in the future.

And the Legislative apportionment incurs the ire of our Magisterial reformer. In enumerating "glaring instances" of violation of equality under the Governor seems to be afflicted with a sort of convenient mental blindness, and ignores the "glaring instances" under the old act of holy memory. In fact in all his discussion of political questions—and the Message is a partisan disquisition throughout—the Governor sees only the enormous villainy of his opponents. Ah, Governor, your venom is spit at the Legislature for naught.

[From the Southern Home.

GOVERNOR'S MESSAGE.—This paper is too large for insertion, and it is an electioneering campaign document, its publication is of very questionable propriety. It is surely not the business of Conservative papers to scatter Radical doctrine over the land. The Governor complains about the election law requiring the tickets to be on white paper without device. He fears that the negroes may be fooled in voting the wrong ticket. He complains that Legislature divided the Senatorial and Congressional districts so as to help their cause. The message is taken up in these little petty attacks on the Legislature and does not rise to the dignity of a State paper, setting forth the condition of the State, its wants and its duties. We may notice some of the points in this curious partisan paper. For the present, it is sufficient to say that the same amount of matter might have been taken at random from the *Era*, tacked together and sent in as the Governor's message.

THE DAILY LIBERAL.

This new candidate for popular favor, published in New Berne, N. C., is rapidly making a reputation on account of its able and polished editorials. Rev. Jno. S. Long, who conducts the editorial department, has only one article in each issue, but his editorials exhibit thought strength and judgment, and are clothed in forcible and ornate language.

We hope that the enterprise will meet with sufficient encouragement to justify its proprietor in making an enlargement at an early day.

A man and a horse took a balloon voyage together in San Francisco, recently.

NOT FOR SALE.

The result of the ballot for Senator yesterday will be found in our local columns to-day.

It will be seen that the rumors which have been put in circulation by Radicals, that enough Conservatives had been bought up to elect Jo ll ll are slanders out of whole cloth, and without the slightest foundation in fact.

As a public journalist, we have deemed it our duty to refer to these reports, and to denounce them as false and malicious. We have never allowed ourselves to think that any member of our party in either branch of the Legislature would listen for a moment to offers o bribes or promises of reward.

The result yesterday demonstrated to the people of North Carolina, if they needed any demonstration, that their representatives are *unpurchasable*, for not a single Conservative vote did John Pool receive.

A SCRAP OF HISTORY.

We have frequently taken occasion to condemn the interference of Revenue and other Federal officials in the political affairs of North Carolina.

From the Cabinet of the President down to the humblest Post Master in the land, the appointees of the Administration seem to regard it as their legitimate work to labor for the re election of the Radical nominees in every local election, thus bringing the patronage of the Government in direct conflict with the freedom of elections.

The Baltimore *Gazette*, in bringing to light the following State paper, taken from the records of the National Government, prefaces the valuable historical document with the remarks as follows:

"One of the most marked and alarming evidences of the degeneracy of the times is the persistent and indecent manner in which Government officials, now a days, take part in political struggles, and consequently neglect the public duties they were selected to perform. This evil is not only confined to clerks and deputies, but has reached even Cabinet officers, who employ the time which should be devoted to the proper discharge of their official functions in attempting to secure the success of the individual who appointed them to office. In the better days of the Republic a different rule prevailed, as is evident from the following letter upon this subject, written by an old-fashioned gentleman, named Daniel Webster, whose notions of running the Government were not exactly in accord with those which now exist in Washington:"

DEPARTMENT OF STATE,
March 20, 1841.

To the Hon. Thos. Ewing, Secretary of the Treasury:

SIR:—The President is of the opinion that it is a great abuse to bring the patronage of the General Government into conflict with the freedom of elections; and that this abuse ought to be corrected wherever it may have been permitted to exist, and to be prevented for the future.

He therefore directs that information be given to all officers and agents in your department of the public service, *that partisan interference in popular elections, whether of State officers or officers of this Government*, and for whomsoever it may be exercised, or the payment of any contribution or assessment on salaries, or official compensation for party or election purposes, will be regarded by him as a cause of *removal*.

It is not intended that any officer shall be restrained in the free and proper expression and maintenance of his opinions respecting public men or public measures, or in the exercise, to the fullest degree, of the constitutional right of suffrage. But persons employed under the Government, and paid for their services out of the public Treasury, *are not expected to take an active or officious part in attempts to influence the minds or votes of others;* such conduct being deemed inconsistent with the spirit of the Constitution, and the duties of public agents acting under it; and the President is resolved, so far as depends upon him, that while the exercise of the elective franchise by the people shall be free from undue influences of officia station and authority, opinions shall also be free among the officers and agents of the Government.

I have the honor to be, sir, your obedient servant,

DANIEL WEBSTER.

STATE NEWS.

THE small pox has entirely subsided in Charlotte.

THE Wilmington police made 22 arrests last week.

ONLY 182 carts arrived in the Wilmington last week.

FOUR patients were admitted to the Wilmington hospital last week.

THE horse malady has made its appearance in Duplin county.

THE Magnolia *Monitor* is to be enlarged and otherwise improved shortly.

THE negro, Marshal, tried for the killing of Scott, colored, in Duplin county was acquitted.

THE Wilmington *Journal* says: "The Register of Deeds last week issued licenses for 6 white and 5 colored couples.

THE Wilmington *Star* says: "The various butchers of this city slaughtered during the past week 62 beeves, 155 hogs, 10 sheep, 4 calves and 1 deer."

THE Goldsboro *Messenger* says there is a so-called "raffle shop" in operation near the marke

week.

THE Wilmington *Journal* says: "The Clerk of the market reports that 72 beeves, 155 hogs, 10 sheep, 4 calves and 1 deer, were slaughtered and sold in this market last week.

In a speech made before the Baptist Convention, which was recently held in Fayetteville, N. C., John Kerr said "that Henry Ward Beecher was one of the greatest humbugs on the earth."—*Exchange.*

THE New Berne *Journal of Commerce* says: "The different companies composing the New Berne Fire Department will meet on Monday night, December 2nd, for the purpose of selecting company officers for the ensuing year."

THE Charlotte *Southern Home* says: "We learn from Mr. J. A. Wolfe, of Mallard Creek Township, this county, that the hog cholera has been quite destructive in his section."

THE Wilmington *Star* says, there was paid into the City Treasury during the past week $10,197 62, of which $9 229 92 was for real and personal and $967 70 for special taxes.

THE Wilmington *Star* says, we learn that the down freight train on the Wilmington and Weldon Railroad, due here at 11 o'clock Saturday morning, ran over a colored man at Magnolia and instantly killed him.

THE Goldsboro *Messenger* says: "The attempt to indict the editors of the Wilmington *Journal* for libel in Duplin court failed. The Grand Jury could not see wherein Judge Bond had been libelled—all efforts on the part of Russell and Cantwell notwithstanding.

THE Wilmington *Star* says, there's a man in town who won't have anything unless it is *exactly* what he wants. He wouldn't vote for Greeley because he wanted a "straight" Democrat; and now he refuses to haul his goods with oxen because he wants horses to do the work—and the horses are too sick to run, just as O'Conor was.

THE Goldsboro *Messenger* says those who have been awarded premiums, at the late Fair of the Farmers' and Mechanics' Association, can obtain the same on application to the Secretary or Treasurer, at the store of Messrs. Kornegay & Borden, on Saturdays and Mondays of each week during the hours of 10 to 15 a. m.

No man ever uttered a greater truth than did John Kerr when speaking of Henry Ward Beecher. We have been to Beecher's Church on Sunday, and we do not hesitate to say that we would sooner go to a theatre or circus on the Sabbath day than go to the said Henry Ward Beecher's church again. Southern preachers who try to imitate Beecher ought to be discharged by any people who want to worship God on the Sabbath.—*Charlotte Democrat.*

Another wife Murder—A Spaniard Shoots His Wife Three Times because She Would Not Live with Him—Rum and a Hasty Temper Said to be the Cause.

About half past one o'clock yesterday afternoon Officer Goubleman, of the Nineteenth precinct, was standing on the corner of Second avenue and Fifty-first street, when a gentleman ran up and in a very hurried manner stated a woman had been shot at 317 East Fifty-first street. The officer at once went to the house and found that Josephine Martin, a woman forty-three years of age, had been shot by her husband, Francis Martin, who is a Spaniard. The lady was suffering from three severe wounds—one in the breast, which will probably prove fatal; one in the leg and another in the hand.

Mrs. Martin's refusing to live with her husband is alleged as the cause which led to the bloody work of yesterday. For several years past the two have failed to agree as man and wife should, and some time ago Mrs. Martin went to live with her daughter, at the house in Fifty-first street, where the sad tragedy was yesterday enacted. The exact cause of this estrangement does not appear, the family maintaining a rigid reticence in relation to the affair; but the neighbors, who usually know all about such matters, assert that the husband was cruel and dissolute, much given to drink, and having, like many of his countrymen, a hasty and ungovernable temper. Yesterday, about twelve o'clock, he went around to his daughter's house, and, as usual, began a tirade of abuse against Mrs. Martin.—Words ran high for a time, and finally the choleric Spaniard drew a pistol and fired the fatal shots. Leaving his wife on the floor dead, as he thought, Martin ran down into the cellar, where he hastily hid the murderous pistol in an ash barrel, and then fled the premises. He was, however, followed by an officer and arrested.

About an hour after the shooting Coroner Schirmer was notified of the precarious condition of the unfortunate woman, whose ante-mortem statement he at once proceeded to take.—*N. Y. Herald.*

Henry Cook, of Winchester, Va., a fireman on the Baltimore and Ohio railroad, was killed near Piedmont by an accident a few days ago.

The Horse Disease---Result of a Post Mortem Examination---An Intelligent Statement of the Causes.

We are in receipt of a long and interesting communication from Doctor Charles Stone, giving a detailed statement of the sickness and death of a fine young horse of his which was attacked with the epizooty. The communication concludes with a statement of a *post mortem*, as follows:

Here I must, through necessity, make use of medical technicalities, which I have strenuously refrained from in the foregoing history of the case.

Removing the skin and subjacent parts from off the nasal bones I opened into those cavities to see in what condition the mucous membrane was lining them. Here I had expected to find much suppuration, and from the symptoms a great deal of accumulated puss; but to my surprise it was perfectly intact, and the only pathological condition present was extreme passive or venous congestion. I next proceeded to examine the frontal and superior maxillary sinuses, which all the books on veterinary surgery state to be affected most in glanders, which persons had said this horse had died of, and which I was trying to disprove; here, too, I found no signs of suppuration or mortification which one gentleman thought had ensued; but the mucous membrane, as in the nasal cavities, was very greatly congested, and the sinuses nearly filled with bloody mucous.

I then opened up the cranium vault, and examined the meninges of the brain and the brain proper. The membranes were in an excessively congested state, and the ventricles of the brain filled completely with a bloody serosity; in fact, everything bespoke passive congestion from some cause. I next opened the windpipe, or trachea, and was astonished to see the amount of bloody serum which ran out. I say bloody serum, because it looked more like water than it did pure blood or the blood I expected to see in another part. I examined the mucous membrane lining that passage, and found much softening or signs of acute inflammation having existed before death. Following this passage up, I opened into the lungs, when the secret was disclosed. The lungs were in a state of hepatization, or complete solidification, from the exudated blood into the air cells and the intercellular tissue; in fact, here was the exact condition which we have in the human subject in the second stage of pneumonia, or the stage known as "red hepatization," when the lung looks exactly like the substance of the liver. I also examined the pleura and the heart. The former was much congested, and showed evident signs of inflammation, as the pleural cavity was filled with serum. The heart was perfectly empty on the left side, while the right side was filled all but to bursting with this black deoxygenated blood, which showed no sign of any coagulability, or would it coagulate when left standing for hours in a vessel.

The intestines were full of gas and very much congested. I did not examine the liver or kidneys or any other parts, feeling perfectly satisfied with the results already obtained. Since then I have had the opportunity of examining three other horses affected exactly like my own, excepting one, which had dropsy, combined with the pneumonia. Now, it is rational to conclude that this disease has originated from an effluvius or poisonous air, or a generated poison in the food of the horse. It first acts upon the vaso motor system of nerves, which presides over the calibre as it were of the small arteries, permitting little or much blood to a part. If this system of nerves be paralyzed, then there is a general relaxation of the muscular walls of the small artery, and the part becomes congested or filled with an extra quantity of blood. This is done in two ways either by the action of the poison upon these vaso motor centres themselves or by exciting another set of nerves to action which preside over the vaso motor, known as the inhibitory system of nerves, which, when excited to action, paralyse the vaso motor. Now, this will explain the first and all subsequent symptoms seen in this disease. The first is simply a congestion of the various parts, the evidence of which we have in the catarrh, which first shows itself in a cold, couyza or mucous discharge from the nose. This may pass into a mild form of bronchitis or pneumonia, plurisy, or both, just according to the amount of exposure to the exciting causes, whether to the poison, cold, overwork or the want of proper treatment in the primeval stage of the disease.

I certainly think this *egnus catarrhus* (which is the name, I think, most appropriate, as epizootic does not reflect the nature of the disase at all) should be treated exactly as a catarrh in the human subject, and if it ran into one of the above mentioned diseases, as in the case of my own horse, I should treat it *precisely as I would* were it to attack one of my children. At to the primary cause, some are inclined to follow the fallacious theory of Prof. Salisbury in regard to the cause of intermittent fever—that it is due to the natural order, cryptogamia, subdivision known as the palmillæ. Now, this I do not believe, as this theory has been rejected by the most eminent histological pathologists in this country and in Europe, especially Prof. Rindfielsch, of Bonn. My opinion is, that it is due to the inhalation of a poisonous gas, the character of which, of course, we know nothing as yet, but remains to be discovered.

CHARLES G. STONE, M. D."
BRIGHTWOOD, D. C., Nov. 18, 1872.
—*Washington Paper.*

When the epizooty first broke out in Chicago an expressman bought a horse badly affected with the distemper. He got him for eighty-nine dollars, and began to dose him with a pint of gin and ginger twice a day. The stimulant kept up the spirits of the animal so that he worked all the time, and in less than a week earned one hundred and twenty-two dollars. Unfortunately, however, the horse has acquired a taste for intoxicating liquor, and cannot do without it now. He smells it as he passes by saloons, and insists upon stopping; neither will he eat his food unless it is thus seasoned.

G. R. Warring, Esq., was found dead in the road near Loretto, Essex county, Va., last Saturday. It is supposed that the colt he was riding threw him and, his head striking a tree, caused death.

A five-year old Georgia boy has made $26 clear profit this year by farming.

This is strictly a

HOME LIFE COMPANY.

Its Officers and Direct rs are citizens of the State, of high character for business capacity, enterprise and probity. It offers every

SUBSTANTIAL BENEFIT

that Northern Companies do, with the great additional consideration that the capital is kept within the State, and, therefore, helps to build up and foster Home Institutions.

Another important fact to be considered is, that the Wilmington Life has thus far realized A VERY MUCH LARGER INTEREST for the money invested at home, than any of the New York Companies receive for their investments, according to their sworn statements before the Commissioner of that State.

These unquestionable facts should commend this company, above all others, to our people. Let it be born in mind that millions of dollars received for Life premiums have been sent North since the war, which at once drains the South and enriches the plethoric capitalists of the North. If there was no other consideration, safety, fairness and cheapness being equal, why North Carolinians should INSURE AT HOME. this were more than sufficient.

THE WILMINGTON LIFE

has excellent special features.

It places no restriction on Residence or Travel; it makes no extra charge for Female risks; and its Policies are incontestable after Five Years.

Its business is managed economically. Its risks are taken with equal caution. Its investments are made judiciously.

Its motto is:

"ECONOMY, PROMPTNESS, FAIRNESS."

NOON DISPATCHES.

A Fatal Explosion—The Condition of Mr. Greeley.

NEW YORK, Nov. 26.—A nitro glycerine explosion, near Yonkers, blew two persons to atoms and fatally injured several others. Several young men, in playfulness, threw stones at a can, causing the explosion.

The World says the reports of an alarming nature regarding Mr. Greeley, are utterly without foundation. His friends have the utmost confidence in rest and a short exemption from business for his restoration.

The Zanzibar Expedition.

LONDON, Nov. 26.—The Khedives expedition consists of five thousand men and is commonded by Purdy Obey, an American. It goes to Zanzibar in transport with the ostensible intention of joining Dr. Livingstone and of co-operating with him if agreeable.—Otherwise to act independently in solving the problem of the sources of Nile under Egyptian colors.

Escaped from Squatters.

PARSONS, KANSAS, Nov. 26.—The chief of the land department of the Missouri, Kansas & Texas Railroad escaped from fifty Osage Land Squatters, by jumping on an engine and turning on the steam. The engine carried him to Sedalia, Mo.

The demonstration grew out of exasperation among the settlers, produced by the recent decisions of the Secretary of the Interior, that lands upon which they live belong to the Missouri, Kansas & Texas Railroad Co.

MIDNIGHT DISPATCHES.

President Grant's Forthcoming Message.

WESHIMGTON, Nov. 26.—The rough draft of the President's annual message, though not quite finished, was read to the Cabinet to-day, all the members being present. It will be somewhat perhaps one-fifth longer than last year's message. In addition to the two copies to be sent to Congress, five will be made in manifold for the use the city press and for telegraph.

In response to a question asked by the writer of this dispatch to the President, he remarked that he had no objection to saying that the message would not show a change of policy on his part, as his endeavor was now as it had been in the past, to perform his entire duty to the extent of his ability, and in such manner as would be best to serve the interests of the country. He was not certain that he would recommend to Congress an extension of amnesty to the two or three hundred persons excluded by the recent legislation, but if he should it would be with a propose condition that the beneficiaries merely take an oath to support the Constitution. The United States Congress, however, had an ample authority in the premises, and could act with regard to the matter without a repellation of his views upon the subject contained in his former annual message. He saw no more necessity as he had been asserted for making a declaration of a more friendly policy toward the South, than for such a declaration toward the North as he sought as a President under the obligation of his oath to execute the duties of his position without favor or partiality, in accordance with the law. He would, in his message, endorse such recommendations of legislation as would be presented by the heads of the several departments, and which experience had shown to be necessary, and he would recommend to Congress that action be taken with regard to the award made by the Geneva arbitrators. The money will be paid by Great Britain to the Department of State, and be deposited in the treasury. Of course it cannot be drawn therefrom except in accordance with law, and for the purposes specified. In the course of conversation on the subject of civil service reform, the President said that while competitive examinations were desirable, he did not think it right that office should be given to enemies of the administration, to the exclusion of its friends. He was now engaged in examining applications for pardons, taking up the cases singly, with a view to the conclusions upon them he intended to pardon Col. Bowerman, who was, eighteen months ago, convicted of embezzlement while he was an officer in the Baltimore Custom House. He added that in addition to other reasons, Col. Bowerman was a brave and faithful officer during the late war.

Alabama Legislature.

MONTGOMERY, Ala., Nov. 26.—It is rumored that the Legislature meeting at the Court House, have appointed a Committee of ten to meet Similar Committe of Conservative Legislature.

Foreign News.

The Province of Mercida is placed under martial law. Additional troops are being sent to Santadada.

PARIS, Nov. 26.—Great excitement here and in the Provinces.

Versalies announces that the right and right centre are determined to support the Committee appointed to draft a reply to Thiers.

LONDON, Nov. 26.—Paris specials say the Radical journals are violent and declare trouble. A revolution will follow and overthrow Their's government. The same journals accuse legitimists, Orleans and Imperialists of having formed a coalition to work for the downfall of the present government. General Changarui is also charged with arming to secure power.

PARIS, Nov. 26.—A majority report of the Committee on address was read in Assembly this afternoon, it is strong in indictments against the Rradicals and insists the establishment of a responsible ministry as the only means of fighting Radicalism. A majority of the Committee waited immediate consideration of the report. The ministry moved postponement till Thursday. The motion was carried and the result regarded favorable to the government.

New York Affairs.

NEW YORK, Nov. 26.—The Supreme Court has ordered Horace F. Clark to give testimony before the Referee regarding the Erie Company and Jay Gould.

Vanderbilt has issued cards of denial of any connection with Gould in the Northwestern corner.

The police believe that Mr. Peoy, of Louisville, has absconded with considerable money. Search in this vicinity is suspended.

Tweed will be held to answer to three indictments in the Court of Oyer and Terminer on Monday.

Stocks opened excited, but soon weakened. Seven thousand shares, sold under rule, brought from $1 40 to $1.50.

Louisiana Contested Election.

NEW ORLEANS, Nov. 26.—In the Federal Court, Kellogg vs. Warmouth et al., the plaintiff's counsel filed 5,000 affidavits of voters to the effect that they had been deprived of the right to register and vote. The Court granted the opposing counsel permission to file counter affidavits. Hon. Thomas J. Semers made an argument in favor of the defendants, after which the court adjourned.
